School Name Submission Form

Return by Mail to address above or Fax to (817) 473-5370

Mansfield ISD is currently in the process of designing and constructing many schools in the District. We are always looking for that next great name for one of our school buildings. Keep in mind that all submissions will be considered, but their are some general guidelines.

High School Naming Guidelines:

Mansfield ISD High Schools have been historically named for geographic features of the area in which the school site is located. Current High Schools are: Mansfield, Mansfield Legacy Mansfield Summit and Mansfield Timberview. "Mansfield" will always be part of official high school names to identify that school as a Mansfield ISD school.

Elementary, Intermediate and Middle School Naming Guidelines:

Mansfield ISD schools serving K-8 students have historically been named for retired Mansfield ISD educators and administrators. Some exceptions exist, and as stated earlier, all submissions will be considered.
